MAGIC

Do you believe in magic? Your audience sure will — especially when Sam gives them control of the show and convinces them that “There’s A Little Bit Of Magic In All Of Us!”

Sam’s high-energy show engages audiences with total interactivity, dazzles them with unbelievable effects, and delights them with uproarious comedy. A master of illusion, Sam leaves crowds gazing in amazement and wondering with a child’s curiosity.

Let Sam add magic to a stage show, to an intimate client dinner with **Captivating Close-Up Magic!**, or have him host your awards celebration or multi-performer show. With Sam at the helm you have a true Master of Ceremonies whose commitment goes beyond the stage and travels behind the scenes to help plan a truly unforgettable occasion.

Whether it’s a crowd of two or two thousand, each audience member feels like part of the show and takes with them something priceless: the glow of magic deep in their hearts.

HYPNOSIS

With a wave of a hand and a single word, Sam takes a stage full of people, and an amazed audience, along for a hilarious, multi-sensory journey deep into the center of their imaginations.

In **Sleep! The Power of Suggestion...The Magic of the Mind**, Sam helps his volunteers achieve a state of deep relaxation to tactfully reveal sides of themselves they never knew existed. In this laughter-filled show, guests enhance their senses and often awaken unknown abilities — showing what’s possible when the mind’s creative potential is unlocked. While they may lose their inhibitions, Sam ensures that they’ll never lose their dignity. And they’ll wake from the experience with renewed invigoration, as if they’ve had a full night’s sleep.

For conference breakout sessions and groups, Sam teaches life-enhancing hypnosis techniques for stress management, deep relaxation, improved concentration and focus. After these sessions, participants often return to their roles refreshed and ready to use these tips in everyday life.
